

Supporting Young Stroke Survivors Through Engaging Messaging (SYSSTEM)

ARE YOU A YOUNG STROKE SURVIVOR?
Did you have a Stroke before you turned 25?

**Are you interested in telling your
story?**

**Would you like to help decide how
technology can be useful for young
stroke survivors?**

Researchers from the University of Tasmania want to
hear about your experience as a Young Stroke
Survivor aged 18 – 30 years old

Receive a gift card to the value of \$50 (AUD)
